Tools & Hardware, Drilling Consumables

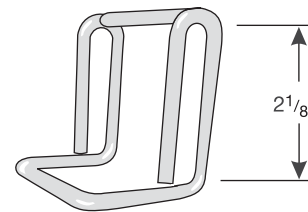

Miners Wrenches

- drop forged heat treated alloy
- regular or hammer head models available
- 7/8" hex wrench end
- repair kits available (spring, knurl, pin & jaw)
- L = 12"

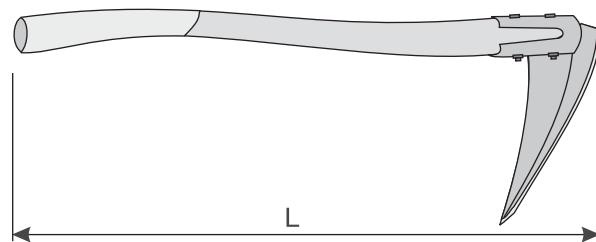

Miners Wrench Holder

- mild steel construction
- fits onto standard safety belts
- holds hammer head and regular wrench models

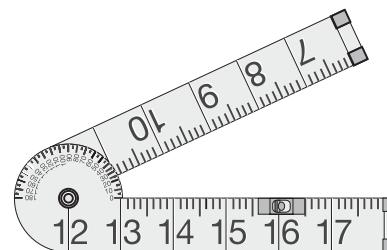

MUCK SCOOP (PELICAN PICK)

- with wooden handle
- replacement handles available
- L = 32"

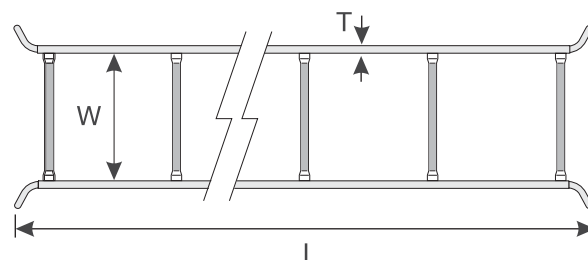

Raise Rascals (Folding Degree Rules)

- made from heavy duty plastic
- both metric and imperial measurements
- degrees on one side, % grade on other
- comes with level bubble
- 6-12" long when folded, 24" (60 cm) unfolded
- also available in aluminum (metric only)

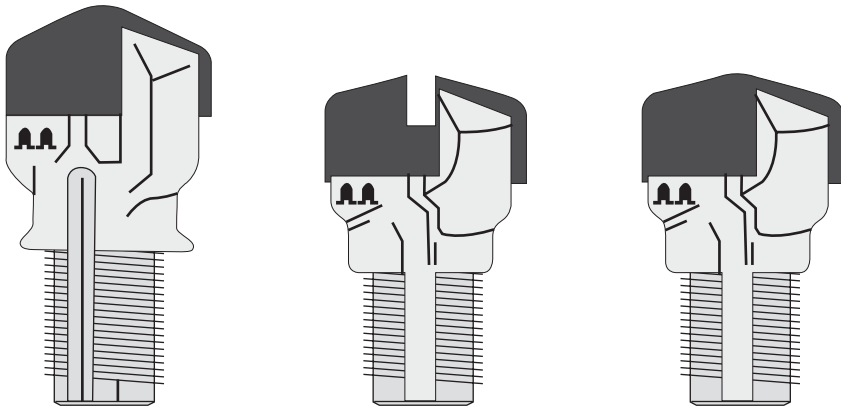

Raise Ladders

- with 3" standoff legs
- T = 1" sched 40 pipe
- W = 12"
- L = 8' and 10'
- custom sizes available

Drill Bits

- spade and wing bits
- for wet and dry drilling
- diameter 26 to 30 mm typical
- thread shanks M16 or 1/2" whitworth
- or spigot shanks in small figure 8, 3/8" square or 1/2" x 3/8"

Drill Rods

- For dry drilling – fabricated scroll or twisted scalloped type
- pinned or threaded joints available
 - different drive ends to suit bolter (7/8" hex, square drive, etc)

DSI Mining Products

1638 Alberta Ave.
Saskatoon SK S7K 1R6
Canada
Phone: (306) 244-6244
Fax: (306) 931-3481

DSI Mining Products

1150 Kelly Lake Rd.
Sudbury ON P3E 5P4
Canada
Phone: (705) 673-3020
Fax: (705) 673-5946

DSI Mining Products

154 14TH Ave.
Rouyn-Noranda PQ J9X 2J5
Canada
Phone: (819) 762-0901
Fax: (819) 797-1367

DSI Mining & Tunneling Products

200 Bob Morrison Blvd.
Bristol, VA 24201-3810
USA
Tel: 276.466.2743
Fax: 276.466.1865

DSI Mining Products

3900W 700S
Salt Lake City UT 84104
USA
Phone: (801) 973-7169
Fax: (801) 973-7172

DSI Mining Products

9344 Sunrise Road
Cambridge, Ohio 43725
USA
Phone: (740) 432-7302
Fax: (740) 432-2827

Fasloc - A DSI Company

447 Dupont Rd.
Martinsburg, WV 25404
USA
Phone: (800) 332-3308
Fax: (304) 274-4194
